Dear Ms. Smith:

We represent the owners of the above-referenced property. Thank you for your assistance the other day in discussing your letter to our clients dated March 11, 1999. Since your letter requires a response within ten business days of its receipt, I just wanted to confirm our conversation that you are going to check for certain information in the DEP files relating to the need for sampling and let me know the results of your inquiry. In the meantime, we understand that the ten-day deadline will be tolled until we have our next conversation.

My clients appreciate your efforts and seek to cooperate with you in this matter.

Sincerely,

Neal B. Glick
